

About Tucker House:

We find that the crucial ingredient to a healing, wholesome healthcare experience is a personal, homelike environment.

At Tucker House Nursing and Rehabilitation we pride ourselves on imbuing our services, staff, and residents with this familial focus, and the results speak for themselves.

We're currently accepting patients from area hospitals, including Temple University Hospital, Jefferson Hospital, and others.

As members of the American Healthcare Association, we're proud to hold ourselves to the standard of this nationally recognized organization.

Our Services:

Tucker House Nursing and Rehabilitation provides both short-term post-acute rehabilitation and long-term skilled nursing care. Your journey towards your healthiest self is supplemented by a robust suite of services and healthcare programs, delivered by a highly trained, carefully selected staff.
